Today is gonna be the day
that they gonna throw it back to you,
by now you should have somehow
realized what you gotta do.
I don't believe that anybody feels the way I do
about you now...

Backbeat, the word is on the street
that the fire in your heart is out,
I'm sure you've heard it all before,
but you never really had a doubt.
I don't believe that anybody feels the way I do
about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I
would like to say to you but I don't know how

Because maybe..... You're gonna be the one that saves
And after all..... You're my wonderwall

Today was gonna be the day
but they'll never throw it back to you,
by now you should have somehow
realized what you're not to do.
I don't believe that anybody feels the way I do
about you now.
